LDSP 395: Leadership for Social Justice

Enjoy learning about the pursuit of social justice in South Africa through a series of lectures, seminars, and excursions. Be introduced to the country's history, politics, and culture through classroom lectures with the University of Cape Town's faculty subject matter experts. Lectures will be augmented with historical excursions to Robben Island, the District Six Museum, and the Republic of South Africa Parliament. Students will also participate in several cultural excursions, including tours of Cape Town, Table Mountain, and Cape Peninsula.
